GEN. FUNSTON

AT VERA CRUZ

Lands From Transports With Four Regiments of Infantry.

VERA CRUZ, April 28.—The four transports bringing the Fifth Army Brigade, comprising the Fourth, Seventh, Nineteenth and Twenty-eighth Infantry regiments under Brigadier General Frederick Funston, were made fast at the docks shortly before 10 o'clock this morning.

Brigadier General Funston, accompanied by Captain Harry McLean, P. Hase, chief of staff of Rear Admiral Fletcher, immediately came ashore to confer with Rear Admiral Fletcher.

Brigadier General Funston, commander-in-chief of the Atlantic fleet, and assuming command of the Fifth Army Brigade.

Brigadier General Funston called on Brigadier General Funston earlier in the morning and had presented the compliments of Rear Admiral Fletcher. The latter, he explained, desired to talk with the General regarding his plans.

Brigadier General Funston was busily occupied after breakfast in writing despatches, most of them to the War Department. There was at least one of them, however, which had nothing to do with the army or the government. It was a reply to a despatch he had received telling him of the birth yesterday of a daughter.

While Captain Huse was waiting to see General Funston there took place a second official posting of the stars and stripes. The American flag for the first time since 1847 was raised over the tower of the fortress prison of San Juan de Iruja.

CONFERENCE ON SITUATION.

When Rear Admiral Fletcher and Brigadier General Funston met, they went over in detail the situation in Vera Cruz.

The arrival of the soldiers was not marked by any ceremony. The few Mexican laborers working about the docks were busy with unloading any interest.

In addition to the infantrymen who arrived today, Company E of the engineer corps, the Sixth Cavalry regiment, the Fourth Field artillery and the third field ambulance company are on their way here.

PLANS FOR LANDING.

Brigadier General Funston called on Rear Admiral Fletcher and talked over with him his plans for the landing of the troops. An agreement was reached regarding the positions the soldiers were to occupy. The infantrymen will take charge of the positions along the outer harbor. The cavalry are to be relieved by detachments as they come ashore. The seamen will return to their ships.

The complete exchange between the soldiers and the marines will not be accomplished before tomorrow.

The infantry regiments were ordered to land later in the day.

145 AMERICANS ARRIVE

The State Department received a report from Consul Sampson at Nogales, Arizona, that 145 Americans with thirteen children had arrived by train from Terres, and that another refugee train from Culiacan was expected soon.

Consul Sampson reported that the train from Terres had arrived at Nogales from Hermosillo with sixty Americans and the expected arrival of thirty more from Culiacan. Consul Sampson reported that the train from Culiacan was expected to arrive at Nogales from Hermosillo with sixty Americans and the expected arrival of thirty more from Culiacan.

Reports from Eagle Pass, Texas, say American refugees coming from that quarter of Mexico report they were treated with kindness and hospitality by the Mexicans on their way to the border.

Consul Canada at Vera Cruz reported that a refugee leaving Cordoba Sunday informed him no American party had been disturbed and that Americans were being detained to prevent mob violence. All Americans at the Hacienda Potrero, including Superintendent H. W. Raver, were taken to Cordoba and held. Consul Canada said he expected another train load of Americans from Mexico City to reach Vera Cruz today.

He had no information as to Americans at Tachuca, but said those detained at Orizaba were reported well cared for.

Consul Canada further reported the railroad from Vera Cruz to Mexico City was being rapidly destroyed between Toluca and the capital. The ties were being burned and the rails loaded on cars and carried away.

The consul also reported he had received assurances from the Brazilian minister in Mexico City that no Americans had been killed or were in danger, and none imprisoned, except one at Aguas Calientes, who was delivered to the local authorities. Some reports having been found of his compliance with the revolutionists.

Consul Blocker reported Ciudad Porfirio Diaz completely deserted, the federals having retreated to Rosalia after a severe defeat by the Carranza forces.

Funston's report said, was his first in a despatch, which said: "Expedition arrived without incident; much delayed by condition of the Meade."

REPORTS ARRIVAL.

WASHINGTON, April 28.—General Funston formally reported his arrival at Vera Cruz to the War Department in a despatch, which said: "Expedition arrived without incident; much delayed by condition of the Meade."

LONGS TO GO TO WAR
HERO'S GRANDDAUGHTER

MISS RUBY LANG, WHO WOULD BE A "SOLDIER IN SKIRTS" DURING THE MEXICAN STRUGGLE.

No Reason Why 'Soldiers in Skirts' Should Not Fight, Pouts Patriotic Girl

If one's grandfather fought Mexicans and grand-daughter of Countess Casper, years ago why shouldn't a girl who is patriotic, go to the firing line now?

Miss Ruby Lang, a student nurse of the Trinity Hospital in San Francisco, is known to the city as a "soldier in skirts." She is a New York resident and well-known to New York theatergoers. Miss Lang, who is registered at a local hotel, declares that with a will she will go to the front.

Miss Lang, who is the granddaughter of the late General Lang, Mexican war hero, has achieved fame throughout the east as a musical comedy star. She will remain in Oakland until the war excitement is over.

"I don't see why a girl can't go to the front as badly as the other kind," declares Miss Lang. "That's why I want to go to the front. I can't kill Mexicans, but I can't dance for the Confraternity Danzant at the Scotch Rite Auditorium, and I don't think I'll have to go to the front."

Another Oakland girl wants to go to war as a Red Cross nurse. She is Miss Hazel Gibson, daughter of George Gibson, British commercial house there. The message said the employees were all well and safe.

TERMINALS
SEIZED BY
ADMIRAL

VERA CRUZ, April 28.—Rear Admiral Fletcher last evening seized the piers, yards and buildings of the Terminal Company, a British-owned concern, control over which he regarded as necessary in order to facilitate the resumption of the normal business activity of the city. The admiral had been endeavoring to rent the property, but could not come to an agreement with the managers as to the price to be paid.

The management quoted a figure which the naval authorities considered exorbitant, and Admiral Fletcher ended the controversy by taking advantage of his powers under martial law and assuming possession of the property.

Prior to the seizure a high official of the company had a British flag raised over the water station far out in the harbor in the belief that such action might prevent the Americans from taking the property. It availed him nothing, however. W. Morcom, manager of the Mexican railway, and president of the Terminal Company, called on Rear Admiral Craddock of the British cruiser Essex and related the circumstance to him. The admiral advised Mr. Morcom to present his claims to the British foreign office.

Rear Admiral Badger reported this morning that all was quiet in Vera Cruz, that disturbances had ceased and that business was resuming its normal course.

WITHIN ADMIRAL'S RIGHTS.

LONDON, April 28.—The seizure by Rear Admiral Fletcher of the property of the American-owned Terminal Company at Vera Cruz is accepted by the British foreign office as quite within the admiral's rights.

Daughter Arrives
Here as Funston
Reaches Vera Cruz

A daughter was born to Brigadier-General and Mrs. Funston at the Presidio in San Francisco yesterday. General Funston has reached Vera Cruz to take command of the American forces, and the news was telegraphed to him.

Mrs. Funston, with the little girl, is at the Letterman General Hospital in San Francisco and later will visit relatives in Oakland. She was formerly Miss Eva Blankart of this city, her romantic marriage to the officer taking place before his departure to the Philippines. There he won fame in the capture of Aguinaldo. This is the fourth child born to General and Mrs. Funston.

100 MEN IN TROOP.

BAKERSFIELD, Cal., April 28.—Troop A First squadron cavalry, National Guard of California, Captain Robinson commanding, has recruited enough men over the usual peace complement to bring the membership to 100 men and has options on 120 more. This troop one of the four in the State, has a high mark in the service for the horsemanship and marksmanship of the members and expects to be one of the first called in event of war.

CALEXICO, CAL., April 28.—Telegraphic orders from Huerta to Colonel Lajero, the Mexican commandant at Mexicali, passed through the American lines, but no code is permitted. One of Huerta's most recent messages instructed Lajero to accept all recruits but not to pay them. A few Cocopa Indians were reported today to have offered their services to Lajero.

All the American regular troops were concentrated today at the point where Captain Harbord has constructed emplacements for his two three-inch field pieces.

DISPLAY FLAGS.

CHICAGO, April 28.—Beginning today American flags will be displayed from all of Chicago's public buildings until the Mexican trouble is over. A resolution, providing for the display of these flags, was passed unanimously by the city council last night.

AMERICANS SUFFER
IN MEXICAN PRISON

VERA CRUZ, April 28.—Sleeping on the stone flagging of the jail patio, with insufficient food, no sanitation, and threatened every night with assassination by drunken jailers, is the experience of the American and other foreigners, including women and children, confined at Cordoba. Their release today had been promised by General Maas in reply to a request from American Consul Canada, through a messenger who returned to Vera Cruz.

W. H. Meckling, of the geological survey of Canada, who has been for some time in Mexico in behalf of the University of Harvard, Pennsylvania, and Columbia, spent two days at Cordoba. He was detained, but not put in jail, and finally was permitted to proceed here as an Englishman, though he is in reality an American. Meckling went to the jail in Cordoba Saturday afternoon and talked to the prisoners, among whom are several with whom he is acquainted. They begged him to make their plight known to Consul Canada and Rear Admiral Fletcher.

Among the prisoners is a young American woman with a 4-months-old infant. There are several other women and children and the total number of all nationalities, according to Meckling, is eighty-five.

One of the imprisoned men is Superintendent Emery of the Vista Hermosa sugar plantation of Vera Cruz State, who entertained John Lind, George W. Turner, who gave his residence as Los Gatos, swore to the court and the court fixed bonds at \$3000.

E. F. Green Must Face
Embezzlement Charge

SAN FRANCISCO, April 28.—Despite his protestation of innocence and shortage upon his superiors, Edmund Frank Green, former president of the Pacific Coast Casualty Company, member of the Bohemian Club, and favored of the smart set, is to be arrested in a charge of embezzlement.

A warrant for his apprehension was issued by Police Judge Sullivan this morning and placed in the hands of Detective Thomas Burke. It specifically accuses Green of the misappropriation of \$1500 on April 17, 1913. George W. Turner, who gave his residence as Los Gatos, swore to the court and the court fixed bonds at \$3000.

LEARN OF SON'S DEATH
IN TUMCO MINE MISHAP

William Taylor, son of Mrs. Pearce Taylor of this city, was killed in a mine at Tumco, California, Sunday morning and the news of his death reached here yesterday.

There are anxiously awaiting details of his demise, which has come as a shock to his friends in the bay cities, where he has lived for a number of years. The deceased was a native of San Rafael and was 25 years of age. He was one of the popular members of the Oakland lodge of Elks, under whose auspices the funeral will be held. The body is expected to arrive in this city within a few days.

viding they filed their claim to whatever portion of land they decided to take up, the Government could not touch their holdings and when the legal tangle had been settled, the lumber companies would buy back the acreage at an enormous figure. As a matter of fact the Government had already won the suit and the land had been confiscated.

The plan, however, sounded quite feasible and, according to the Government inspectors, the members of the ring had no difficulty in finding customers everywhere and bringing in their money.

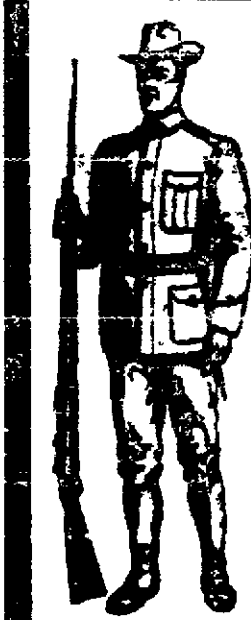

Postoffice Inspector James O'Connell has been working on the case for years, but it was only last December that the federal authorities began to pull in their net. At that time Chief Inspector Leonard and Detective J. R. Fisher to give his exclusive attention to the case in this district. He was assisted by Inspector M. W. Warren, Detectives McConnell and Gallahue of the San Francisco police, and Logan, who is claimed to be the leader, has been under surveillance for a month. Through him it was expected that the other members of the ring, who were indicted a month ago in Portland, would be apprehended. In all there were 14 indictments returned. The arrest of some of the conspirators in the north yesterday it was feared would lead to Logan attempting to escape, and for that reason it was deemed best to take him into custody.

FUGITIVES FROM STATE.

Besides Nicholson and Cook the only members of the gang who have not been captured are B. F. Fairchild, D. J. Connors, and Fred Brantner. All of these are outside the state of California. In the other two officers were maintained by the ring one in the Pacific building and the other at 1112 Market street.

"I believe that through this fake land game these men have cleared up \$2,000,000 in the past eight years," said Inspector O'Connell.

It may be conservatively stated that a million and a half, at the very least has been taken from the pockets of the working people, stenographers, clerks and small investors all over the country.

MOTORING GOSSIP FROM ALL ANGLES

News From the Factories and Race Camps, Also Local Doings.

(By EDMUND CRINNION.)

Los Angeles will send a "Special De Luxe" motorcade of custom-built cars to the Indianapolis race track. The cars will be sent to out-trail the famous "Howdy Special" which made the trip from Los Angeles to Phoenix, Arizona, with the desert racers last fall. The fact that at least four of the most popular coast drivers will compete in the May 30 grand prix on the motor speedway is the prime reason for the big turnout on the part of the coast fans. Then, too, many are inclined to believe that the coast drivers as a vacation so that reservations for the special train promise to break all records.

The announcement that Barney Oldfield would drive a third Stutz in the big race that today is being won positively created additional interest in the event from a western point of view. In addition, Oldfield and Billy Carson each of whom has already been entered at Indianapolis. Oldfield's services have been sought by American and European factories since the veteran's great showing at Santa Monica but the stuck to his determination to pilot a Stutz in the speedway classic. Among those clamoring for his services were a Los Angeles sportsman, a Madrid nobleman and three prominent American car builders. The entry by the Stutz promptly killed the rumor that the racer would prevent the westerner from competing in the big race.

Oldfield because the intrepid driver who piloted the Stutz into the road racing with western fans at Barney himself, Cooper and "Old" Anderson are the veterans of the Stutz outfit and the trio presents an imposing front when competing at the wheel of a championship car that the European factories have entered.

WE'RE LUCKY GUYS.

California leads any section of the United States in the ownership of automobiles on a basis of population. The latest figures compiled under the new automobile registration law, show that in this State one person in every 27 is the owner of a motor car. In the nation as a whole the average is one in 33. The figures which establish the lead of California in auto ownership are for motor cars but the State's lead is even more pronounced when the trucks are included, with no duplications and are taken from the registration, which is dated April 15, 1934. At the end of 1933 the total, figured from the end of 1932 and adding the normal percentage of increase each month, would show the Empire State to be the leader in the nation in actual commission.

The population of New York is 23,000,000 compared to 2,000,000 in California under the 1930 census.

In a table brought to an approximate total in each state to date by adding the percentage increase in the number of persons; Kansas, 25,000 machines, or one to 44 persons. Alabama shows the low ratio of one to 525 persons, with a total of 50,000 motor cars.

YOSEMITE TOURS SOON.

Mark Daniels, who was recently appointed landscape engineer for the Yosemite National Park, has just returned to San Francisco from a trip into the valley. Daniels reports that the automobile route into the reserve is in splendid shape, and he says that the park will be open to the motorists within a very few days.

He intimates that the route opening the center of motor cars into the Yosemite has been considerably widened from last year, and he says that the prospects are that the valley will have the greatest number of visitors in its history during the coming season.

ELWOOD LEE IS DEAD.

J. Elwood Lee, inventor of the Lee tire and president of the Lee Tire and Rubber Company, San Francisco, Cal., died suddenly at his home in Los Angeles, California, at the age of 60. He was afflicted with heart disease. It was in 1913 that Lee first introduced to the world the Lee tire, which he founded the Lee Tire and Rubber Co.

In addition to being head of the Lee company he was vice-president of Johnson & Johnson, Philadelphia, and New Brunswick, N. J., surgical instrument producers, and the free library of Cosmochemical and a vestryman of the Episcopal Church in Cosmochemical, Key.

Lee is survived by his widow and three children. He was 58 years old.

WOMAN SHOWS WOMAN.

The case with which the models of the Mitchell car can be handled was demonstrated recently in the drive of Miss Pearl McFarland from San Francisco to Fresno after the recent rains. It also resulted in a sale of the Mitchell car in the Raisin City to a woman.

The agent there had a customer who was skeptical as to her ability to handle a Mitchell car, and when Miss McFarland arrived she had her car on the lot, and the showing that the car made in the drive and Miss McFarland who weighs a little over 150 pounds, convinced her that she would be able to handle the car with ease herself. The car was the one of the Mitchell car to the Fresno lady.

FACTORY EXPANDS.

As a result of the demand for its product, the Mercer Automotive company has decided to erect a large new building to house its manufacturing operations. Until permanent additions can be made to the existing buildings, a temporary building, 150 feet, is being used for measuring the final operations of chassis assembly.

The ten was secured from Robbins Bros. which has been winning several large additions were made to the Mercer plant. It is thought this would give sufficient room for some time to come, but these new buildings have been rapidly outgrown.

Sargol does not of itself make fat, but mixing with your food, it turns the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—preparing it in an easily assimilated form which the blood can readily accept. All this nourishment now passes from your body as waste. But Sargol stops the waste and does it quickly and makes the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe.

Out for Laurels Temple Favorite

MISS FLORENCE HOOD.

Four young women, all members of east bay temples of the Pythian Sisters, are entered in the contest to choose a ruler for the first annual carnival of the east bay lodges of the Knights of Pythias which will be held at Persim Park from May 5 to 10. The members of the temples have taken charge of the carnival and ball games have been placed in many of the downtown stores with the women in attendance. Miss Florence Hood, 474 Hobart street, is the candidate of Caliente Temple No. 6. Loyol Temple No. 47 will throw its strength to both Miss Rose Weiss, 495 Twenty-seventh street, and Miss Ida Kessler, 123 Tenth street. Miss Ida Schneider, 523 Grove street, a fourth candidate, will have the united support of a number of the temples and lodges.

The vote now stands: Miss Weiss, 5509 votes; Miss Hood, 4223; Miss Kessler, 3355, and Miss Schneider, 3255. This principal ballot box and booth is at 112 Broadway. The campaign will close at 10 o'clock next Sunday night. The vote up to 6 o'clock will be announced and additional ballots will be taken until 10 o'clock. This is the first queen contest ever held by the order and is attracting much interest.

All the east bay temples will have concessions at the carnival. The grounds will be decorated with the colors of the order. A special invitation has been extended by prominent lodge No. 12, which will act as host, to the San Francisco lodges and many lodges and women from that city are expected. One of the features will be a "kangaroo" court to be held by Liberty Company No. 11, until further notice.

NIGHT PATROL OF SAN FRANCISCO INCREASED

SAN FRANCISCO, April 23.—Chief of Police White has ordered the strengthening of the night patrol in all the districts of the city with the exception of the water front and the Potrero. Hereafter there will be twice as many policemen on the streets after nightfall as there are in the daytime. The order to the company commanders directs that two-fifths of the strength of each company be on duty on the two night watches from 4 to 12 p. m. and from 12 to 8 a. m. and that one-fifth of the strength of the company be on duty in the daytime.

This will mean that a number of seasoned veterans who have felt themselves secure in the possession of a day watch, will have to be transferred to one of the night platoons.

The Harbor and Potrero districts are exempted by reason of the necessity of constant on the water along the water front in the daytime when vessels arrive and depart. There will also be no change in the patrolling of Golden Gate Park and the traffic squad will not be affected.

"OLD FRIENDS" WILL CELEBRATE JUBILEE

SAN FRANCISCO, April 23.—The Society of "Old Friends," a state wide organization of which Henry M. Owens is the president will celebrate their fiftieth anniversary, May 15. Plans are being made to celebrate its golden anniversary at a banquet and preparations are being made to entertain 400 guests at a well known local grill in San Francisco.

The affair will be under the direction of President Owens who will be assisted by the following:

Judge George E. Crothers, Judge Joseph E. O'Donnell, Judge Frank H. Kerrigan, Charles A. Zwick, A. J. Martin, Howard Barber, Kenneth M. Green, Fred Suhr, Jr., John E. McDougal, Frank C. Jordan, William H. Torrey, J. Emmet Hayden, and many other well known men of San Francisco.

Samuel M. Shortridge and Police Commissioner Max J. Kuhl will be the principal speakers.

CIVIL SERVICE JOBS TO BE FILLED IN OAKLAND

Opportunities for obtaining positions in the employ of the city of Oakland are offered by the Civil Service and a call has been issued for the following: Heating engineer, \$125; foreman of oiling, \$4 per day; inspector of street repairs, \$100; operator of oil patching machine, \$4 per day; woodworker, \$2.50 per day; laboratory assistant, \$5; harness-maker, \$4 per day; letterman, \$15; deckhand, \$50; oiler, \$16; machinist, \$105; blacksmith, \$4 per day; carpenter, \$5 per day; electrician, \$125; levee boss, \$110; roustabout, \$55; levee laborer, \$2.50 per day.

Examinations will be practical, and so arranged that men of experience will be given preference.

WOULD GIVE PREFERENCE IN ARMY APPOINTMENTS

WASHINGTON, April 23.—The president would be authorized to give preference in making appointments to the volunteer army, to the army officers who by the Civil Service Board are in effect for two years from the date of posting.

The secretary is very anxious to receive applications for these positions.

Not alone have we totally disregarded former prices in this unusual significant sale—but to make it doubly interesting to you we have included a big lot of brand new garments which have just been received from three prominent New York manufacturers. By com-

lar stock and including some that are worth double the price we are asking, we are giving you the most sensational values that have been offered this season.

An Important Boys' Suit Special \$2.95

Just an even one hundred suits—two-piece models, ages 10 to 16 years, and Norfolk's ages 5 to 16 years—garments worth every cent of \$10 and good values at that. And it is a price that will induce buying whether your boy needs a suit immediately or not.

RIOT THREATENS DURING ANTI-SOCIALIST MEET

SAN FRANCISCO, April 23.—Gladness on the part of the speaker, averted what threatened for a moment to become a riot at the meeting in Dreamland Pavilion last night at which David Goldstein, once a Socialist candidate for governor of Massachusetts, but since a convert to the Catholic faith, set forth the reasons for the opposition of the church to Socialism.

At the height of a tense situation which lasted throughout the meeting, with an audience sharply divided, a riot light started at the steps of the platform. Spectators and police started for the spot, but Goldstein himself stopped the affair and, swiftly dispersing one of the combatants to a seat far from the stage, refused to stir the riotous fire.

PROTEST AGAINST WAR AND STRIKE KILLING

NEW YORK, April 23.—Protest against war with Mexico and against the coal mine operators in Colorado were voiced in resolutions adopted at a Socialist mass meeting in Carnegie hall last night. The acts of the militia at Ludlow, Colorado, were described in the resolution as a "massacre" casting more disrepute upon the flag than any disgrace foreigners could inflict upon it. The use of the whole Federal force in Colorado was demanded to punish "not alone the hirelings who perpetrated this dastardly outrage, but the capitalists who planned it and in whose service it was executed."

PART OF ROOSEVELT EXPEDITION ARRIVES

RIO DE JANEIRO, April 23.—The members of the second section of the Roosevelt expedition arrived here yesterday. Colonel Roosevelt is expected to be in the vicinity of Manaus today. The government of the State of Amazonas has sent a steamer to meet him.

DENNAN SCHOOL CLUB IN CHARITY CARD GAME

SAN FRANCISCO, April 23.—The Denman School Club held a charity card game on Wednesday of last week, April 22, at the home of Mrs. J. John, 1345 Fourth avenue, Sunset district. Whist and "500" were played and valuable prizes were awarded the winners. A door prize was an added attraction.

After refreshments were served a raffle was held, the proceeds of which were added to the club's charity fund. The Denman School Club, which ranks among one of the most select of San Francisco's clubs, is noted for its philanthropic deeds. At the present time the club is silently caring for a worthy outside destitute family.

FOURTH AVENUE HEIGHTS IN FIELD FOR KNOWLAND

TRIUMPH FOR CITY IN DIRECT FERRY FOR 1915

BIG BOOM FOR OAKLAND

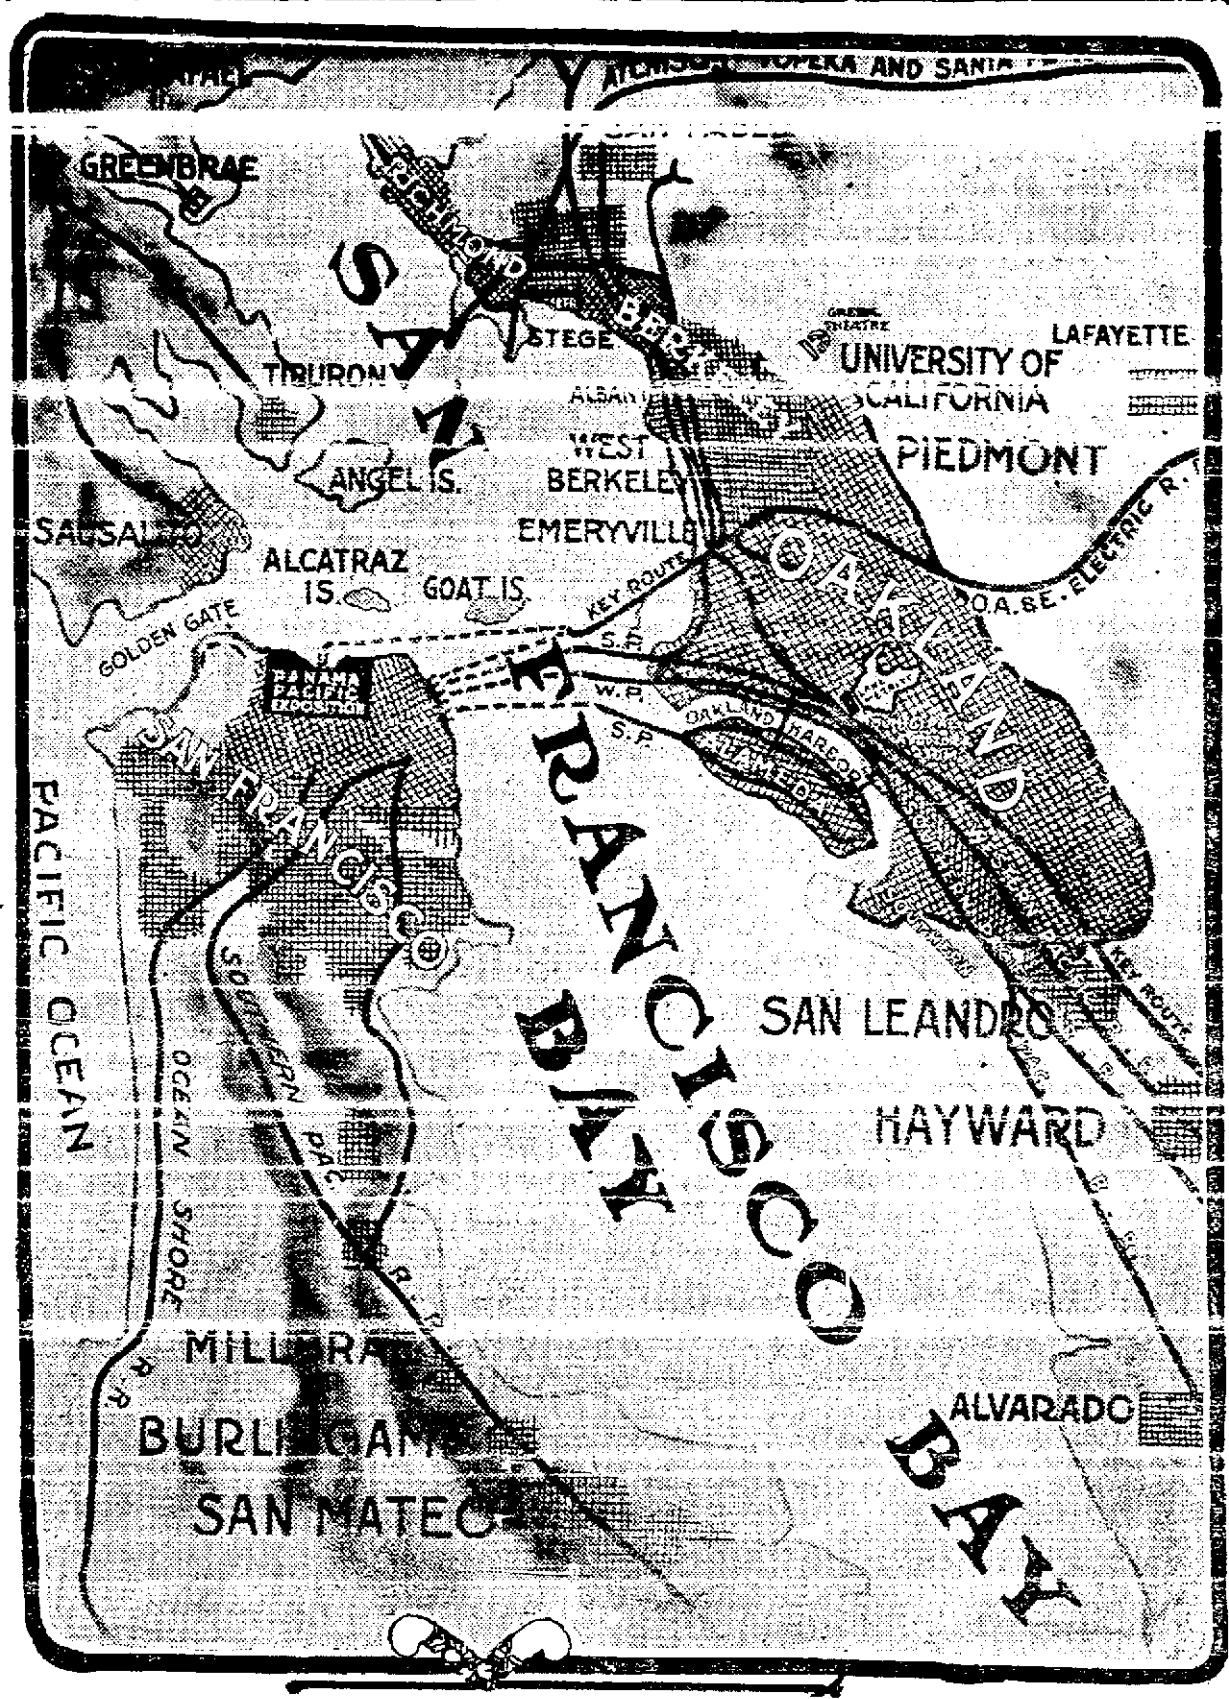

TO EXPEDITE ROUTE TO GROUNDS

Public Will Be Protected and Guaranteed Excellent Boat Service.

Two new ferry boats, larger than any boat now in the Key Route system, will be constructed as soon as possible to care for the traffic of the new "Oakland-to-Exposition" service soon to be installed from the Key Route pier to the exposition grounds. This was announced this morning by President W. A. Bissell of the San Francisco-Oakland Terminal Railways.

President Bissell also announced that the first boat in the new service will be run from Oakland to the exposition site Friday. Saturday night service will be furnished for the big ball to be held in machinery hall. A time schedule will be arranged at once.

MAP SHOWING THE NEW ROUTE BY WHICH A DIRECT FERRY SERVICE TO THE EXPOSITION IS TO BE STARTED BY THE SAN FRANCISCO-OAKLAND TERMINAL RAILWAYS COMPANY. THIS MAP WAS PREPARED BY THE COMMERCIAL CLUB ENGINEERS AND USED DURING THE CONFERENCES WITH THE RAILWAY OFFICIALS.

PROSPERITY IS COMING

BENEFITS TO OAKLAND

What the new direct exposition service means to Oakland:
Will bring four times the visitors who would otherwise have stopped in Oakland.
Will mean \$1,000,000 more spent in Oakland during 1915 by visitors to the fair.
Will make the exposition as accessible to Oakland as Berkeley.
New service becomes operative May 1.
Boats will run for machinery hall May 2 and schedule will be drawn up immediately after.

ELEANOR IN STORM

President's Daughter Has a Thrilling Experience While House Hunting.

WOOD HOLE, Mass., April 28.—Miss Eleanor R. Wilson, youngest daughter of the president and fiancée of Secretary of the Treasury McAdoo, had a lively experience in today's storm.

Accompanied by Mrs. David F. Houston, wife of the secretary of agriculture, Miss Wilson came here to look for a summer residence. A political rain interfered with their plans, and they decided to return to Washington. Train connections were lacking, but the marine biological laboratory officials offered passage to New Bedford on the little steamer Capadocia. The fish boat crossed the rough waters of the bay safely but with considerable discomfort to those on board. At New Bedford connections were made for a Washington express.

SPEED SHRINE BOOSTERS ON TOUR

Royal Hospitality Extended at Farewell Smoker by Oakland Commercial Club.

Royal was the hospitality extended last evening to hundreds of members of the Shrine of the Imperial Council in Atlanta, Ga., who were on their way to the Shrine of the Imperial Council in Atlanta, Ga., for the annual convention. The Shrine of the Imperial Council in Atlanta, Ga., was the destination of the tour.

COMBINED BANDS PLAY.

The Ivory Hall room was the scene of the opening festivities where the guests assembled to enjoy a concert and witness the drill evolutions of the uniformed bands. On behalf of the Commercial Club, Harmon Bell extended a welcome to the visitors in a brief address. A program of music followed, including a solo by Mrs. E. J. Bell, accompanied by the band, and so hearty was the applause that she was obliged to repeat the chorus in which the shriners joined. Operatic selections were artistically rendered by Madame Dehane, a soloist from Rome. Other numbers were presented by entertainers from local cafes.

MAYOR'S HAPPY SPEECH.

Mayor Frank K. Mott set the ball rolling in a brief speech which met with cheers. "We want the Imperial Conclave for California next year and I am sure that you are going to bring it home with you," he said. "We are all behind you and best wishes accompany you as you cross the burning sands. We are especially jubilant tonight because of the announcement made today that we are to have a direct ferry service to the Fair grounds from our waterfront. This means that we have brought the Fair closer to us than it has ever been before. In fact, it almost amounts to the annexation of San Francisco by Oakland."

Al Joison Dismally Fails in 'Tin Star' Role of 'Speed Cop'

Al Joison, famous singer and minstrel man and a "tin star" deputy sheriff of Alameda county, has run afoul of the law. He did it in an automobile. He ran into another deputy sheriff's car on the foothill boulevard today while in friendly pursuit of G. M. Anderson, who was in a hurry to get to the exposition.

Anderson had disappeared in the distance and so far as the speed cop was concerned there was not even a cottontail in sight as an excuse for the alleged offender. However, with Anderson's alibi, he finally settled the argument with the authorities, receiving the admonition that he "must not do it again."

Al Joison, according to the records of the sheriff's office, was appointed a deputy to act without pay on July 1, 1914, by Sheriff Frank Barnett. He admits that his first attempt to display authority met with dismal failure.

LOS ANGELES, April 28.—Charles C. Roystone, an aviator, fell from an altitude of 800 feet at Dominguez Junction, south of here today, and was so badly injured that he died shortly afterwards while being taken to a hospital.

Roystone, flying a monoplane, was on his way to San Diego to demonstrate an aerial bombing device to the army officers at the government aviation camp on North Island.

MITCHELL ASSAILANT DECLARED DEMENTED

NEW YORK, April 28.—After an examination yesterday by the commission appointed to inquire into the sanity of Michael P. Mahoney, who was charged with the assault on Senator Charles McNary, the commission declared that Mahoney was insane at the time of the shooting.

Responding to a question Mahoney said he had not missed his aim, but had shot at Mr. McNary when he saw that he was in the way. The commission will shortly file a report of its findings.

WOULD DISMISS CHARGES AGAINST JEFF MCCARRN

HONOLULU, April 28.—Attorney General I. M. Sternbeck asked today for dismissal by the supreme court of charges of unprofessional conduct filed against United States District Attorney Jeff McCarrn by George Thielien.

Two weeks ago McCarrn's disbarment was asked by Thielien, whose wife, later pronounced insane, employed McCarrn to institute divorce proceedings against Thielien. The fact that McCarrn had taken a diamond ring as security for his retaining fee was the basis of a series of sensational charges brought by Thielien who announced that he intended to apply to Washington for McCarrn's dismissal.

PRIMARIES WILL SHOW BIG VOTE

Statistics Indicate Widespread Interest for the County Elections.

With the registration in Alameda county now totaling \$6,750, it is estimated that when the roll calls for the primary election on July 25 there will be a widespread interest in the election.

Statistics prepared in Sacramento upon which State Senator Richardson will base his prediction of election matter for the fifty-eight counties of the state are somewhat more generous in their proportions, allowing for a total registration of 120,000 in this county. Persons familiar with local conditions, however, feel that practically the entire voting strength of the county will be represented at the primary election and that the outside there will not be more than 105,000 on the great register. As the fight for party nominations comes at the primary election, the battle line will be between the political factions which have been pretty well spent with the results of the primaries, and it is believed that there will be little registration after July, although persons not previously on the register may qualify for the general election in November.

According to the figures furnished State Printer Richardson, there will be a registration in the state of 1,173,051, or an increase of 135,000 over the registration of 1913. It will be necessary to print about 1,500,000 pamphlets for distribution to the county clerks for distribution to the registered voters. The printed matter will cost about \$100,000.

Of this amount three counties will be Alameda county's apportionment. It is estimated, for example, that this matter will cost the county \$5,000 for the primary election alone.

ALAMEDA VOTERS.

Registrations in Alameda county to date are as follows: Progressive, 36,825; Republican, 22,780; Socialist, 4,601; Prohibitionist, 1,000; Total, 65,206. Out of a total of 65,206 there are 49,033 men and 16,173 women.

In compiling the estimates of the county clerks, Richardson has apportioned the strength of the state in eight sections as follows: San Francisco bay counties, 30 per cent; Southern California counties, 27 per cent; San Joaquin valley counties, 11 per cent; Sacramento valley counties, 12 per cent; central coast counties, 3 per cent; mountain counties, 4 per cent; northern coast counties, 5 per cent; five miscellaneous counties, 2 per cent.

The nine Sacramento valley counties, which will comprise 7.5 per cent of the entire strength of the state and their estimated registrations are: Butte 14,000, Colusa 4,100, Glenn 4,500, Sacramento 35,000.

Six counties of the San Joaquin bay section, comprising 30 per cent of the state's voting strength, have the following estimated registrations: Alameda 120,000, Contra Costa 10,000, Fresno 10,000, San Francisco 100,000, Santa Clara 35,000, San Mateo 10,000.

The registrations of the eight counties south of the Tehachas, which will include the following: Fresno 40,000, Kern 20,000, Kings 6,000, Merced 20,000, Madera 30,000, Mariposa 20,000, San Joaquin, 22,500, Stanislaus 14,000, Tulare 16,000.

Four central coast counties, with a combined registration of 3 per cent, include the following: Santa Cruz 3,500, San Luis Obispo 15,000, San Benito 3,000, Monterey 12,500. Four northern counties, from which 4.5 per cent of the state's voting strength accrues, have the following registrations: Humboldt 15,000, Mendocino 12,000, Lake 10,000, Sonoma 24,000.

The seven mountain counties, with a combined registration strength equal to 4 per cent of the state, include the following: Colusa 4,100, Glenn 4,500, Lassen 4,500, Modoc 2,500, Mono 500, Nevada 500, Plumas 4,000, Placer 15,000, Sierra 15,000, Tuolumne 4,000.

Five counties classified under geographical conditions, have the following registrations: Siskiyou 9,000, Soano 11,000, Joseph 2,000, Tillamook 4,000, Lane 2,000.

MIDDLETON GAINS 100 POINTS IN WEEK'S BATTING LIST

Middleton, the Oak rightfielder, gained nearly 100 points in the batting records last week, jumping from 200 to 298. Joe Tobin is still the leading hitter of the league, among the regulars, but he is being crowded. Quinlan leads the Oaks with 357. Both Schaller and Ryan dropped quite a few points during the week. Only two of the Seals, Mundorf and Schmidt, did any good for themselves against the Oak pitchers last week.

WOMAN DRIVES BURGLAR OFF WITH GUN

Another Is Victim of Assailant
After Resisting and Cry-
ing for Help.

Armed from her neighbors at 145 1/2
morning by suspicious sounds in her
apartment, Mrs. J. K. Kelly, of the South
east street apartment, a woman that an-
nounced on a table near her bed, switched on
the electric light, and saw a man standing
in the room.

The burglar dropped
everything that he had taken and made
a hasty exit from the room.

Mrs. Kelly quickly unlocked a door
and attempted to follow the burglar,
but in which direction he fled.

She immediately notified the police and
a man who was detailed to the case
could find no trace of him. She reports
that no articles of value were taken, but
she escaped loss.

Grasped by the arm by a stranger man
who suddenly stepped into the room at
the corner of Anna Wilson and
Broadway, as she was returning home
at 9:15 last evening, Mrs. Mary G. Galt,
of 1315 Broadway, was seized by the
ground and robbed.

She was carrying a small handbag and
the man at first attempted to grab it
from her. She resisted and cried for
help. He seized her by the arm and
her to the ground, at the same time
the purse and running away at top
speed.

Mrs. Galt is unable to give a description
of the man except that he was of
medium build, dark complexion and wore
a derby hat. Her arms were bruised from
the rough handling that she received. The
purse contained \$10, household keys, and
a ring.

FINAL TRIBUTE PAID MISS MYRA HALL

The funeral of Miss Myra Noyes
Hall, daughter of Frederick W. Hall of
61 King avenue, was held yesterday
afternoon from the family residence at the
latter address. Where her former col-
leagues and friends gathered to pay their
tribute. The services were conducted by
Rev. Alexander Allen, pastor of St. Paul's
Episcopal church of this city.

Many floral pieces of value of the val-
ley, sweet peas and roses surrounded the
casket. The girls represented the at-
tention and esteem of her numerous ac-
quaintances, who mourn her loss. Miss
Hall was a social favorite and very popu-
lar.

The body was borne to its final rest-
ing place by the funeral director, Victor
Cooley, Leland Scott, Wyman
Taylor, William S. White, John Van
Sicklen and Reginald Marshall.

MARY CHINAMAN EVADES BOGUS POLICE OFFICER

SAN FRANCISCO, April 20.—Posing as
a regular police officer and carrying a
star, No. 277, and the exact duplicate
of the official badge carried by Patrolman
John Carlson, a half in the police
court, a robber attempted to hold up
Quong Dang, a Chinese merchant of 1022
Grant avenue, this morning. The at-
tack occurred on Washington street near
Sansome. Quong was stopped, bound
the star and ordered to submit to a
searching process. Frightened at the or-
deal the Chinese turned and ran. He
was not pursued and this fact led him
to suspect the officer was not genuine.
He reported the assault to the detective
about 45 years old. Officer Carlson was
on duty at the time at the Hall of Jus-
tice. He is only 27 years old.

TO PLACE TARIFF ON 'SPOTTER' CARS

Railways Adopt Commission's
Plan for Increasing Freight
Revenue.

WASHINGTON, April 20.—Railways
operating in eastern classification terri-
tory have adopted the eminent suggestion
given them by the Interstate Commerce
commission and have begun to file tariffs
providing for a charge for "spotting"
cars. The provisions and charges con-
tained in the tariffs are identical in all
instances, indicating concerted action on
the part of the roads. The charges are
to be a flat rate, with a minimum charge
of \$1 a car.

In eastern classification territory, it is
estimated that there are nearly 60,000

cars are reported to the railways with-
out charge. The exaction of \$1 a car for
the service is believed to increase the
revenues of the roads at least \$1,000,000
a year.

A charge for the "spotting" is one of
the means proposed to increase the return
to the railways without making a
straight advance in rates.

The Interstate Commerce commission has
been asked to file a tariff for the service
of the roads at least \$1,000,000 a year.

REPORTS SPIRIT BURGLARY.
SAN FRANCISCO, April 20.—Mrs.
Gertrude Wheeler, of 1110 Ellis street,
reports the burglary of her apartment
and the theft of \$100 in jewelry.

WHEAT DECLINES UNDER SELLING

Heavy Transactions by One of
Principal Houses Causes
Market to Sag.

CHICAGO, April 20.—Wheat declined today
under heavy selling, led by one of the principal
houses on the exchange. The market was
quiet, and after a slight reaction the
market suffered an additional sag.

Reports of delayed seedling northwest
later to check the bears. The close was steady.

Reached attacks on corn met with little
response. Prices, which started 1/4c off, made
a recovery.

Favorable weather in Argentina and the near-
ness of delivery on May contracts were
factors in the decline. The market was
at 1 1/2c in 1914 and 1 1/2c in 1913.

General movement toward a lower price level.
Sales were a shade to the down.

ANNUAL FUN IN ILLINOIS

Nationalist Volunteers Land a

Big Consignment of

Weapons.

Nationalist volunteers, a body similar in

organization to the Elster Unemployed

volunteers, made matters even with their

political opponents early today by suc-

cessfully landing a large consignment of

arms. The weapons, which are said to

have been brought from America, were

taken aboard at a remote spot on the

coast of County Donegal, in the far west

of Ireland.

The size of the consignment is un-

known, but it is believed to have been

considerable, although not equaling the

40,000 rifles and 500,000 rounds of ammu-

nition in the consignment received on April

25.

POLICE ASKED TO SEEK

CELIA SILVERSTEIN

SAN FRANCISCO, April 26.—Miss C. A.

Silverstein, daughter of Abraham M. Sil-

verstein, of the Spring Valley Water

company, disappeared from her home 587

Washington street on April 21 and her

family and friends are still worried.

The disappearance of the girl was

first reported in the press on April 22.

She is 18 years old and last night a com-

munication was received at her home

saying that she had been seen in the

morning. Mrs. Silverstein, the girl's

mother, denied this report.

The girl is described as being 5

feet tall, 110 pounds, dark hair, blue

eyes, and a black dress and white shoes.

The election for the Queen of the May

of the garden fete to be held next Sat-

urday at Idora, under the auspices of

the board of managers of the Oakland

Hospital, attracted thousands of voters

yesterday and thousands of voters were

poled during the day in the schools.

The successful contestant rounded up a re-

cord-breaking vote.

This morning an official count was

made and the queen her maids of honor

and attendants were announced.

Miss Dorothy Leverick of the Emerson

school was declared duly elected Queen

of the garden fete.

The ceremony of crowning the queen

will take place at 11 o'clock. Her ma-

ids of honor, the young ladies receiving the

next highest number of votes, were Edna

Poppe, Captain a Bettercourt, Lorraine

Vanderberg and Hazel Clark.

The following were the successful can-

didates receiving votes which entitled

them to the honor.

Following the exercises of crowning
